

CBT Fall Ball

*****Important***** *Fall ball is the grade that they are in the fall and will play the age they would play the following summer. For example, if they played 12U just the past summer, they would be playing 13U in the fall. If they played 14U just the past summer, they would be playing on the underclass team in the fall.*

Fall teams will run from the 3rd week in August until the end of September or 1st week into October... Fall ball team practices will be able to practice with our full time teams during our 6 week fall practice session. Each team may or may not have individual fall practices.
